

Algin (100 Caps)

Stock Number: 675

Benefits:

- Supports the intestinal system.
- May absorb heavy metal ions.
- Encourages normal elimination

How It Works:

Sodium alginate, an important part of the kelp plant, is mucilaginous and gels in water. Many people use it as a nutritional supplement supportive of the intestinal system. Its bulking action encourages normal eliminative function.

Ingredients:

Sodium alginate.

Recommended Use:

Take 2 capsules three times daily between meals. Drink two glasses of juice or water with each serving.
